

Latest update

Park Heights

We trust you have been keeping safe in these unprecedented times. Below is an update regarding the ongoing works at Park Heights.

Book your sprinkler test - last chance

We still have 58 flats who have failed to provide access to enable us to complete the sprinkler test. We will soon be beginning legal action against those who have not provided us access for this crucial work. If you have not yet booked a sprinkler appointment, please do so as soon as possible. If you haven't got an appointment yet, please call AJS to arrange on **020 8597 7000**.

Work updates

Landscaping

Trees in the planters have now been replaced on both sky gardens, with the shrub planting works now complete.

The landscaping works to the tiling compound will start on 8 December, and be completed by 11 January 2021. In addition, landscaping works to the cladding compound will start on 12 April 2021, and be completed for 30 April 2021.

Leasehold block

Scaffolding has been removed down to **level 1.5** on the east elevation, and is currently being taken down on the north and west elevations. Please note, Hill have **lost three working days** over the past month due to heavy rain and inclement weather. This has had a knock-on effect on the programmed scaffold strike dates.

Tiling replacement work has been completed entirely, and signed off to all levels.

All balcony work has now been completed, along with installation of soffits to **level 1**. **Level 3** slab edge works are now complete and signed off too.

Rented block

Work to the affordable block backing structure has now been completed entirely. All cladding work to **levels 15-4** are complete and signed off by Wintech. Balcony cladding work to **level 3** is ongoing. Slab edge cladding work is complete to the east and west elevations of **level 12**. Slab edge cladding works to **level 11** south elevation is currently in progress and nearing completion.

Decking work has now been completed to **levels 14-6**. Tiling work to **level 5** is also nearing completion.

Scaffolding currently sits at **level 11** structural lift on the west and east elevations. The south elevation is currently being removed down to **level 10**.

Rented block balcony lights

We've started disconnecting balcony lights again. Before we do your balcony lights, we'll need you to fill out a Covid-19 declaration form before an appointment. The electrician will only enter your apartment once the form has been received. They will wear face masks and gloves and we expect them to take about 15 minutes. A new set of PPE will be used for each appointment.

To arrange an appointment, please contact Hill's resident liaison on free phone **0800 032 6760** (available 8am to 8pm seven days a week) or email residents@hill.co.uk. They will also be able to provide you with a declaration form.

Working measures during coronavirus

We have a number of measures in place:

1. Change in working hours to avoid operatives from using public transport at peak times.
2. Cladding installation will now commence to the rented block under new PPE rules.
3. New PPE measures are in place to allow workers to work within 2m of each other; Face mask and safety glasses must be worn when working within 2m.

Workers arrive at **7.30am** and start at **8am**, and they finish at **5pm** and leave site by **5.30pm**.

Fire safety in your block

Despite the coronavirus pandemic, the fire evacuation arrangements have not changed.

If there's a fire, please follow the established fire evacuation arrangements, following current government guidance. We appreciate this may be challenging in light of social distancing, but we ask for your support.

In the event of a fire, the primary risk is from smoke/fire, so you must evacuate. If you can while evacuating, please wear a mask and gloves and evacuate safely and calmly. When you have reached the evacuation meeting place, please ensure your household remains two metres from the next household. Staff on site will be there to support you in evacuating while still maintaining social distance where possible.

A few reminders:

- No items should be stored in communal areas.
- Escape routes must be kept clear at all times. Any items found will be removed and disposed of.
- If you need help to develop an evacuation plan for your household or if you aren't able to self-evacuate, please get in touch.
