Dear residents,

### Remedial work expected to begin this summer

We're pleased to say that we're finalising the agreement for the work at Matthews Close. If everything goes to plan, we expect remediation of parts of the external wall system to begin this summer.

### Resident webinar

Before we get started on work, we will write again to invite you to a resident webinar, where we'll give you all the important details such as the start date, project duration, locations of work and any anticipated disruption. Please look out for this invite in the coming weeks – we'll answer any specific questions you have about the work during the webinar.

### Further support

You can check our dedicated document library for your building's letters and documents: <https://www.networkhomes.org.uk/matthewsbuildingdocuments/>. Or get in touch with us on [customerservice@networkhomes.org.uk](mailto:customerservice@networkhomes.org.uk) if you have any questions.

#### A summary of this letter

If everything goes to plan, we hope to start remediation work in the summer – please look out for further updates soon!

#### A reminder

Your building's fire strategy is **stay put**, so you should stay in your home unless you are directly affected by smoke, heat or fire, or are told to evacuate by the fire brigade. There is no communal alarm in the building.
