## Home alterations and improvements

If you'd like to make any home alterations or improvements, you'll need to get written permission from us, your landlord, before you start any work. Please refer to the clause in your tenancy or lease agreement that covers alterations and your obligations. Failure to gain consent from us is a breach of your tenancy or lease and could result in action being taken by SNG.

Please note that you are not permitted to carry out any alterations or improvements in communal areas.

There are a number of home improvements you can make to your home, including DIY (do-it-yourself) improvements, however, there are certain procedures to follow, and you need to be aware of the noise impact on your neighbours.

You'll need to contact your housing officer who will guide you through the application process. Our surveyors might need to request for plans and full details of alterations and contractors you intend to use to carry out these works. Please note that you will be responsible for the cost and the maintenance of these alterations if we approve them. You may need more than our approval, depending on the changes, such as planning permission from the local council.

## Who's your next of kin?

Many services, particularly those involving housing, ask for details of your next of kin. You can name whoever you feel is most appropriate, however, naming that person does not grant them any legal rights or responsibilities. Organisations ask for details so that they know who to contact if they're unable to or are struggling to make contact with you.

Naming someone as your next of kin in these circumstances does have advantages. It ensures that person can contact and speak with us on your behalf if you grant them permission to do so. It also means they are kept up to date if the need arises. To grant this permission, you will need to complete and sign our online consent form which you can access using this link: [Representative Consent Form \(office.com\)](#).

Please note that you are still able to inform us of a next of kin without giving them access to act on your behalf. Without your consent, we will not discuss your personal information with them. If you have any questions on this, please contact our customer services team at [customerservice@networkhomes.org.uk](mailto:customerservice@networkhomes.org.uk) or by completing our online contact us form at [www.networkhomes.org.uk/contact-us](http://www.networkhomes.org.uk/contact-us).

## Our automated messaging and voice calling service

We're always looking at ways we can help residents to sustain their tenancy and leases and one of them is by making early preventative interventions if they fall into payment arrears. We're using an automated messaging and voice calling service, provided by Voicescape, to contact you if we notice that you have missed a payment on your account, so that we can work with you sooner rather than later.

If you receive a call from our automated messaging or voice calling service, the texts will come from SNG, and the call will come from one of the following numbers:

- 020 8068 0304
- 020 8068 0305

- 020 8068 0306
- 020 3695 2588
- 020 3695 2593
- 020 3695 2602
- 020 3695 2607.

If you answer the call, the system will let you know that we are calling and what to do so that we can transfer you to a member of our Income teams. If you receive a text message from the system, it will let you know how to get in contact directly with our Income team for tenants, shared owners or leaseholders, rather than through our general enquiries line.

If you would like to find out more about our new automated voice calling and messaging service or confirm that a call or text message from us is genuine, please contact us at [www.networkhomes.org.uk/contact-us](http://www.networkhomes.org.uk/contact-us)

## Have your say on how we engage with you!

Hearing from you and taking your experiences into account is essential to ensuring we're providing a good service. Now that we've merged to form SNG, we'd like to hear your views on how you would like us to engage with residents and how you would like to influence the services you receive. Please complete our [short online survey](#) to share your thoughts and help shape our new resident engagement activities!

Our [short online survey](#) is open until **16 March 2024** and it won't take longer than five minutes to fill in. **Ten £50 shopping vouchers are also up for grabs**- enter our prize draw in the survey for the chance to win one!

Have your say today, you can fill out the survey below or click the button below to complete it if it isn't loading on this page.

## Have you tried our new digital assistant for customers yet?

We've launched our digital assistant for customers which gives you another convenient way to raise or get an update on repairs, check your account balance, or make a payment. The digital assistant comes in the form of a chatbot which you can find on our website and your My Network Homes online account.

The digital assistant is available at any time of the day, seven days a week. It will help you with your enquiry by giving you options to select so it can support you as quickly as it can. During set times, currently Monday to Friday, 10am to 3pm, if it's unable to answer your query or help you to complete your service request, it will give you the option to chat online to one of our customer service advisors.

You can try out the digital assistant the next time you want to raise a repair, check your account balance or make a payment. Simply open the chatbot feature by clicking on the purple 'Chat with us' bubble on our website at [www.networkhomes.org.uk](http://www.networkhomes.org.uk).

## We're here for you online if you need to contact us

There are many ways you can contact us online which are quick, convenient, and available 24 hours a day, seven days a week. In many cases, you can even complete your request or query without having to contact us on the phone.

Some of the key things you can do online is raise a repair, check your balance, make a payment, report anti-social behaviour, find out about our services, and ask us about anything relating to your tenancy or lease.

Through our website at [www.networkhomes.org.uk/contact-us](http://www.networkhomes.org.uk/contact-us), you can access information, online forms, our digital assistant (chatbot) and our payment portal.
