Dear resident,

**Atrium level roof repair**

Mulalley have booked for the roof on the atrium level to be repaired on Thursday 25 April 2024. The works will start at 7am and finish at 5pm.

There will be a crane parked on site which will likely block access and exit to the underground car park, so please consider this when planning your day, for example by taking out your car before the works start. Once the works start at 7am, the crane cannot be moved to allow access and exit to the car park. After 5pm, you should be able to access the car park again, as long as there are no delays in completing the work. If there are delays on the day, we will let you know by text.

Please note this date may be postponed due to high winds in the coming days, but we will let you know of any change.

Thank you for your cooperation as we carry out this essential repair. If you have any questions about this letter, you can contact me directly on 07918 693 126 / 02045 125 791.

Kind regards

Cameron Anterkyi

Resident Liaison Officer
