Tackling tenancy fraud

Tenancy fraud is not only illegal it prevents people who genuinely need a home from getting a place to live. This is why we take tenancy fraud seriously and are dedicated to tackling it. You can help us with this and report tenancy fraud to us in confidence by calling 020 8459 9463 or emailing fraud@networkhomes.org.uk. Any information you give us will be treated in the strictest of confidence and your identity will be protected.

Since 2019, we have recovered over 70 properties making savings of approximately £3.1million. We have also obtained Unlawful Profit Orders for illegal subletting for the sum of approximately £241,000. Through our tenancy fraud action, we're able to return homes to people in genuine need of social housing.

You can read more about a recent incident we had we had with subletting on our website here: www.networkhomes.org.uk/news/latest-news/2024-news/we-secure-record-unlawful-profit-order-of-136-000-against-london-tenancy-fraudster/

Taking in a lodger

You may allow anyone to lodge in your home if you first get our written permission. We would usually only refuse permission if having a lodger would result in your home being overcrowded.

You will not be able to include your lodger on your tenancy agreement but having one may affect your Housing Benefit entitlements.

Whether it's making a payment, checking your balance or something else, the easiest way to get in touch with us is online at networkhomes.org.uk/contact-us

If you would like to take in a lodger, please speak to your neighbourhood officer.

Anti-Social behaviour (ASB)

If you think you're experiencing ASB, please check out our ASB toolkit to help you identify ASB and understand the steps you need to take if you're experiencing it. You can find the toolkit on our website at www.networkhomes.org.uk/asbtoolkit

You may report ASB to us between 9am to 5pm from Monday to Friday. If it's out of office hours, please contact the Police or your Local Authority Environmental Health team.

Rubbish disposal

It's been brought to our attention, by the Managing Agents for your estate, that some residents are throwing rubbish such as cigarette butts, plastic bottles & cans etc. from balconies. If this is something that you have done, please do not throw rubbish from your balcony in the future as it is very inconsiderate to your neighbours at ground floor level.

Don't let your clutter become a hazard

Now's the time for a traditional 'spring clean'. It's a great opportunity to declutter and get rid of things you no longer need or use. But before you start any decluttering, please think about how you plan to get rid of any large items. Leaving unwanted belongings in communal areas can block emergency exits and be a fire risk. They can also be a trip hazard for your neighbours, especially in the event of a fire when smoke can cause reduced visibility.

[Check out gov.uk/find-local-council](http://gov.uk/find-local-council) to see if your local council provides a free collection service for items you no longer want. You can also find out more about fire safety in your home by visiting our website at www.networkhomes.org.uk/firesafetytips

Stay put fire safety strategy for your building

The fire strategy for your building is a stay put policy. This means unless you're directly affected by a fire, told by the emergency services or an SNG staff member to evacuate, you should stay in your home. Remember if you do need to evacuate because of a fire, do not use the lifts. Close the

door behind you and safely make your way out of the building before calling the emergency services on 999. If you are unable to self-evacuate or evacuate using the stairs, please contact our Fire Safety Team on **0300 373 3000** so we can visit you and discuss a personal evacuation plan.
