Dear residents,

Additional inspection Friday 28 June

When we last wrote to you we said we were liaising with your building's original contractor Bugler in relation to the issues we have found in the external wall system.

Bugler has requested being able to attend the site and carry out further investigation into the zinc cladded area. They will therefore be on-site on **Friday 28 June** to have a look at the external zinc wall system. Bugler may need to carry out further intrusive investigation, which they will ensure will be repaired as it was.

We won't need access to anyone's homes and we don't expect there to be any disruption, but please do bear with us if you see them about during the day.

Further support

Check out our dedicated webpage for previous updates we've sent out:

<https://www.networkhomes.org.uk/colesgreenbuildingsafety/>. You can also get in touch with us on customerservice@networkhomes.org.uk if you have any questions.

Kind regards

Raj Gandecha
Head of Resident Management (Building Safety)
